(1) PROPOSED CONTRACT WORK: The proposed work, hereinafter called "the work", includes:
Parcel 7 – 6562 Highway 36, Shelbina, Missouri 63468, located in Shelby County: Preliminary Removal of Asbestos Containing Material (ACM); Removal of Solid Waste, Plugging and Closure of an Abandoned Well; and the Demolition and Removal of All Structures and Buildings on the Premises.
All of the work listed above must be performed by the bidder whose bid is accepted, either directly or through lawful subcontractors of that contractor.

(2) COMPLIANCE WITH CONTRACT PROVISIONS: The bidder, having examined and being familiar with the local conditions affecting the work, with the proposed contract and the contract documents, including the Missouri Highways and Transportation Commission's "Missouri Standard Specifications .for Highway Construction, 2004" as revised, and the Request for Bid, including its plans, special provisions and component appendices, hereby proposes to furnish all labor, materials, equipment, services, etc., required for the performance and completion of the work. All references are to the Missouri Standard Specifications for Highway Construction, as revised, unless otherwise noted.

(3) PERIOD OF PERFORMANCE: If its bid is accepted and a contract awarded, the bidder agrees that the work shall be diligently prosecuted at such rate and in such manner as, in the judgment of the engineer, is necessary for the completion of the work within the time specified as follows in accordance with Sec 108:
Notice to Proceed: **When contract is executed, and proof of insurance provided.**
Completion Date: **May 25, 2007**

(4) LIOUIDATED DAMAGES: The bidder agrees that, should the bidder fail to complete the work in the time specified or such additional time as may be allowed by the engineer under the contract, the amount of liquidated damages to be recovered in accordance with Sec 108 of the Commission's "Missouri Standard Specifications .for Highway Construction, 2004" as revised, shall be as follows:
Liquidated damages per day: **$500**

(5) BID GUARANTY: The bidder shall submit and attach to this bid a bid guaranty meeting the requirements of Sec 102. The Bid guaranty will be returned as per standard specifications. The bid bond form is included in the Bid packet and is also available on MoDOT's website.

(6) CERTIFICATIONS: By signing and submitting this bid, the bidder makes the certifications appearing in Sec. 102.18.2 (regarding disbarment, eligibility, indictments, convictions, or civil judgments), Sec. 102.18.3 (regarding anti-collusion), and Sec. 102.18.5 (regarding the Missouri Domestic Products Procurement Act). Any necessary documentation is to accompany the bid submission, as required by these sections. As provided in Sec. 108.13 of the Commission's "Missouri Standard Specifications .for Highway Construction, 2004" as revised, the Commission may terminate the contract for acts of misconduct, which includes but is not limited to fraud, dishonesty, and material misrepresentation or omission of fact within the bid submission.

☐ Mark this box ONLY if the bidder REFUSES to make one or more of the certifications specified above. The bidder shall provide a statement of explanation for the refusal to make a certification on company letterhead, signed by the bidder, and inserted inside the submitted bid.

(7) ANTIDISCRIMINATION: The Commission hereby notifies all bidders that in any contract entered into pursuant to this request for bids, businesses owned and controlled by socially and economically disadvantaged

individuals will be afforded full opportunity to submit responsive bids and will not be discriminated against on the grounds of race, color, religion, sex, age, ancestry, or national origin in consideration for an award.

(8) PREFERENCE TO MISSOURI FIRMS IN AWARDING OF CONTRACTS: The bidder's attention is directed to Section 34.355 RSMo, *et seq.*, which requires that preference be given in awarding contracts to firms, corporations, or individuals doing business as Missouri firms, corporations, or individuals, or which maintain Missouri offices or places of business, when the quality of performance promised is equal or better, and the price quoted is the same or less.

The law also requires that a contractor or bidder domiciled outside the state of Missouri shall be required, in order to be the successful bidder, to submit a bid which is the same percent less than the lowest bid submitted by a responsible contractor or bidder domiciled in Missouri as would be required for the Missouri domiciled contractor or bidder to succeed over the bidding contractor or bidder domiciled outside Missouri in a like contract or bid being let in his domiciliary state. A contractor or bidder domiciled outside Missouri shall also be required to submit an audited financial statement as would be required of a Missouri domiciled contractor or bidder on a like contract or bid being let in the domiciliary state of that contractor or bidder.
