MoDOT To Improve Remainder of 5,600-mile Major Highway System

Better Roads, Brighter Future Program To Save Lives, Create Jobs

MoDOT recently announced plans to improve the remainder of the state's 5,600 miles of major highways over the next five years. These busy highways will receive wider stripes and rumble stripes, brighter signs, paved shoulders and smooth pavement that will bring 85 percent of Missouri's major highway system up to good condition by the end of 2011. MoDOT's Latest Tracker Report Shows Booming Construction Program

The latest transportation statistics show a record amount of construction projects in the past year, with costs coming in almost exactly as predicted by MoDOT budget estimators. In the past fiscal year, the department completed 413 transportation improvement projects worth more than \$1.2 billion -- the busiest year ever in Missouri -- at a cost only 1.66 percent higher than what was budgeted. State of Transportation Address Slated for Feb. 7

MoDOT Director Pete Rahn will deliver the fourth annual State of Transportation Address to a joint session of the Missouri General Assembly at 10:30 a.m., Wednesday, Feb. 7. [Address](#)

Engineering Policy Guide Launches in Electronic Format

MoDOT's engineering policy is now being presented in a single electronic format that will be easier to use and update. The guide is under construction and will be completed by the end of 2007. [Guide](#)

SAFER ROADS

New Program to Promote Older Driver Safety and Community Mobility

Dozens of state and community-based leaders are kicking off a year-long initiative to increase awareness and action focused on promoting older driver safety in Missouri. [Older Drivers](#)

Missourians Take a Walk on the Safe Side

As traffic volumes increase on Missouri roadways, MoDOT continues to look for new ways to make it safer for pedestrians to cross them. Countdown indications and "talking" crosswalks are two ways Missouri crosswalks are becoming safer across the state. [Crosswalks](#)
