Truckers List I-44, I-70 in Missouri Among Nation's Most Improved Roads

Interstates 44 and 70 in Missouri are among the nation's most improved highways, according to a new survey of truckers nationwide. The survey results show that I-44 in Missouri is the second-most improved stretch of highway in the country, with I-70 coming in third. [Interstates](#)

MoDOT Lists 2006 Top 10 Accomplishments

Making 2,200 miles of Missouri roads smoother and safer a full year ahead of schedule was the top story for MoDOT in 2006. Nine other accomplishments also made the list. [Top 10 List](#)

MoDOT's Latest Tracker Report Shows Booming Construction Program

The latest transportation statistics compiled by MoDOT show a record amount of construction projects in the past year, with costs coming in almost exactly as predicted by MoDOT budget estimators. In the past fiscal year, the department completed 413 transportation improvement projects worth more than \$1.2 billion - the busiest year ever in Missouri - at only 1.66 percent higher than budgeted. Holiday Spirits and Driving is a Losing Combination

When getting together with family and friends to celebrate for the holidays, a tragic crash or impaired driving arrest can ruin more than just your holiday spirit. Impaired driving makes the holiday season one of the most dangerous times of the year to be on the road. To discourage this dangerous behavior, Missouri state and local law enforcement officers will be out in full force this holiday season to crack down on drunk driving. [Drinking](#)

MoDOT, MDA Waive Fees For Hay Hauling Permits

Extreme weather conditions this summer resulted in a widespread hay shortage that was only worsened when a winter storm covered pastures with ice and snow. At the request of the Missouri Department of Agriculture, MoDOT is waiving the fee for blanket permits to haul wide loads of hay. [Hay](#)
