The SRI Countdown Begins

A countdown clock, found at www.modot.org, is ticking down the days, hours, minutes and seconds until the end of the year when MoDOT must meet the governor's challenge to complete the Smooth Roads Initiative. By Dec. 31, Missouri's busiest highways will be in good condition and the clock will help make sure everyone stays focused on that deadline. [Countdown Clock](#)

New Tracker Spells Out Transportation System Challenges

A newly updated Tracker document is using the latest data and evaluations to analyze Missouri's transportation system. The publication contains 112 performance measures that help determine whether Missourians are getting a good return on their transportation investment, and where improvements are needed.
