

Department of Public Works and Parks

REQUEST FOR QUALIFICATIONS Engineering Services

The City of University City Public Works and Parks Department is requesting qualifications from consultant engineering firms to be included in a “Pre-qualification List” and to be contracted for different engineering disciplines as listed below. The engineering services are required to provide engineering solutions for the review of new developments in the City or to address specific concerns due to aging of City’s public infrastructure.

Scope of Work

The City is requesting assistance in performing several different projects/tasks for the above referenced type of services.

If your firm would like to be considered for these consulting services, you may express your interest by submitting a letter of interest no more than 2 pages to Project Manager Angelica Gutierrez via email (agutierrez@ucitymo.org) or regular mail (Public Works – 3rd Floor, 6801 Delmar Blvd., University City, MO, 63130). This letter should include the type of service you are interested in providing and any information which might help us in the selection process, such as the persons or team you would assign to the project, the backgrounds of those individuals, and other projects your company has recently completed or are now active.

Letters of interest will be received no later than Friday, August 10, 2012 at 2:00 pm.

The City will evaluate each firm’s qualifications and select the most qualified firms to be added to the “Pre-qualified list”. Work orders will be negotiated as needed.

Please contact Project Manager Angelica Gutierrez at the email above or via phone (314-505-8568) with any questions regarding this request.

Please note:

1. This solicitation is for non-federal projects being considered by the City.
2. If the City should solicit qualifications for a federally funded project in the future, that solicitation will be by a separate RFQ advertised on MoDOT’s website.
