Contractor/Offeror Signature	Department of Transportation  
(Signature of person authorized to sign)	(Authorizing Signature)
Date Signed:	Date Signed: May 21, 2012

The italicized sentence in paragraph 1A of the Scope of Work has been changed by this addendum.

This project involves erection of a MoDOT supplied pole barn, built to the specifications listed on the attached plans and built to the standards as designed. *The building provided was supplied by Sentinel Industries, Inc./Bilt Rite Buildings and meets MoDOT's attached drawings and specifications.* Some pre-fabricated materials may be provided, but contractor will be responsible for using any and all materials provided to meet the specifications, design standards, and MoDOT's expectations. On site cutting, measuring, and any necessary fabrication of provided materials will be the responsibility of the contractor to perform. Also included are drawings with screw details, gutter hanger installation, and 2x10 Header details.
