

## SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

**Title:** Video Detection System  
SFS 7-04100521

**Description:** The Missouri Department of Transportation's District 4 location has determined that only one source, Traffic Control Corporation, Fenton, MO, can furnish the Autoscope Solo Terra. This system will allow the use of the existing loop lead-in cables for power and data at the I-470 and Raytown Road interchange, as no cables can be pulled across the bridge at this location. With the Solo Terra, the power and data is transmitted across the wire. The Autoscope Solo Terra system is on the Approved Products List (APL).

Purchase price will be in excess of \$25,000.
