Question: On the cantilever gates for Normandy job and the St. Charles job. Do you require a Tymetal gate or do you want a gate fabricated in my shop?

Modot: Gates must be accordance with the scope of work and per the Missouri Standard Specification Section 607 as indicated in the RFQ. Gates must be equal to chain link as fabricated similar to what we have installed at existing MoDOT facilities such as New Wentzville, Barrett Station Rd, Bridgeton.
