**MISSOURI HIGHWAYS AND TRANSPORTATION COMMISSION
MASTER EQUIPMENT RENTAL AGREEMENT**

THIS AGREEMENT is entered into by and between _____
(hereinafter, "Lessor") and the Missouri Highways and Transportation Commission (hereinafter,
"Commission").

WHEREAS, the Commission rents various tools or construction and heavy equipment
from the Lessor from time to time, and

WHEREAS, Lessor and Commission intend to enter into equipment rental agreements
pursuant to this Master Rental Agreement (the "Agreement"), the terms and conditions of which
shall control any and all rentals exchanged between the Lessor and the Commission.

NOW THEREFORE, in consideration of the above premises and mutual promises
contained herein, and for the good and valuable consideration, the receipt and sufficiency of
which is hereby acknowledged, the Lessor and the Commission mutually agree as follows:

(1) PRE EMINENCE OF MASTER RENTAL AGREEMENT AND TERM. The terms
and conditions of this Agreement shall control all equipment rental transactions between the
parties and shall supersede any and all written terms and conditions contained in Lessor rental
agreement forms, documents, receipts, or memoranda except for the identification of the
equipment to be rented by the Commission, the rental rate of the equipment, and return date of
equipment. All other conditions contained in any Lessor rental agreement forms, documents,
receipts, or memoranda shall be of no effect and force whatsoever. The initial term of the
Agreement shall be for a period of two (2) years, automatically renewable upon mutual consent
of the parties for one (1) additional two-year period. Either party may terminate the Agreement
at any time and for any reason whatsoever upon sixty (60) days written notice to the other.

(2) NATURE OF THIS AGREEMENT. This purpose of the Agreement is to create
and coordinate rental transactions, which will allow the Commission to use the equipment
provided by the Lessor as permitted by this Agreement. The Commission represents that the
equipment leased pursuant to this Agreement is to be used solely and exclusively for
Commission related activities. The Lessor retains equipment ownership. The Commission
acknowledges that the Commission may not transfer the equipment or any rights or obligations
under this Agreement. The Commission shall not service or repair or alter the equipment
without Lessor's prior written approval.

(3) EQUIPMENT: The Lessor will make available to Commission equipment
referenced on the Lessor's equipment rental form, document or memorandum signed by an
employee of Commission.

(4) TRAINING AND INSPECTION: The Lessor will provide a training session for Commission employees upon receipt of equipment. The training session may include inspection of the rented equipment for damage and how to report same, checking required fluid levels and general equipment operation.

(5) RETURN OF EQUIPMENT: The Commission will notify Lessor of intended equipment return upon acceptance of said equipment and as may be identified in the Lessor's rental form, document or memoranda. The Commission agrees that during the course of the rental, the equipment will be held in a safe and secure manner while it is in the Commission's care, custody or control.

(6) TITLE: The Lessor warrants that it is the lawful owner of the equipment and that the equipment is free from all encumbrances which would disturb the use of the equipment identified in the Rental Agreement Form.

(7) EQUIPMENT OPERATION. The following persons may operate the equipment: Commission and Missouri Department of Transportation employees, contractors, and agents, in the course of such employee's regular employment, and contractor employees during the course of performing work. Operators must be properly qualified to operate the equipment and have a valid operator's license with respect to the equipment where required by law.

(8) RENTAL CHARGES: The Commission will pay all rental, time, mileage, service, transportation, refueling service and other charges and sums in accordance with this Agreement. The basic daily or weekly rental rate will be identified on the equipment rental form, document, memoranda, or receipt and invoiced by the Lessor upon return of the equipment to the Lessor.

(9) RISK OF LOSS: The Commission shall be responsible for all loss of or damage to the equipment, unless such loss or damage results from latent defect(s) or fault or negligence on the part of Lessor, while on rental and in Commission's care, custody or control, including but not limited to, fire, flood, theft, comprehensive losses, collision and rollover. Such responsibility is limited to: (1) reasonable repair cost or (2) the fair market value of the equipment at the time it is lost or damaged, less its salvage value.

(10) INSURANCE: The Commission is self-insured against liability losses up to statutory insurance coverage caps, and will provide proof of self-insurance upon request by the Lessor.

(11) INDEMNIFICATION: The Lessor shall defend, indemnify and hold harmless the Commission, including its members and department employees, from any claim or liability whether based on a claim for damages to real or personal property or to a person for any matter relating to or arising out of the Lessor's performance of its obligations under this Agreement.

(12) LAW OF MISSOURI TO GOVERN: This Agreement shall be construed according to the laws of the State of Missouri. The Lessor shall comply with all local, state and federal laws and regulations relating to the performance of this Agreement.

(13) CONDITION OF THE EQUIPMENT. The Lessor warrants the equipment, upon delivery to Commission, to be in good mechanical and merchantable condition. The Commission's acceptance or use of Equipment constitutes Commission's acknowledgment that

the equipment is in working condition at that time. The Commission agrees to provide Lessor reasonable access to the equipment.

(14) FORCE MAJEURE/INFRINGEMENT. Any failure of performance by either party due to causes beyond reasonable control, including but not limited to acts of civil or military authority or Acts of God will not be deemed to be a default by either party.

(15) MERGER/MODIFICATION/SEVERABILITY. This Agreement expresses the entire agreement between the parties with respect to the subject matter of this Agreement. No change, modification or alteration of the terms hereof will be effective against either party unless it is in writing and signed by a duly authorized officer of both parties. If any provision or any part of any provision of this Agreement or the application thereof is hereafter held invalid or unenforceable, the remainder of this Agreement shall not be affected thereby and to this end the provisions of this Agreement are declared severable.

(16) EXECUTIVE ORDER: The Lessor shall comply with all the provisions of Executive Order 07-13, issued by the Honorable Matt Blunt, Governor of Missouri, on the sixth (6th) day of March, 2007. This Executive Order, which promulgates the State of Missouri's position to not tolerate persons who contract with the state engaging in or supporting illegal activities of employing individuals who are not eligible to work in the United States, is incorporated herein by reference and made a part of this Agreement.

(A) By signing this Agreement, the Lessor hereby certifies that any employee of the Lessor assigned to perform services under the contract is eligible and authorized to work in the United States in compliance with federal law.

(B) In the event the Lessor fails to comply with the provisions of the Executive Order 07-13, or in the event the Commission has reasonable cause to believe that the Lessor has knowingly employed individuals who are not eligible to work in the United States in violation of federal law, the Commission reserves the right to impose such contract sanctions as it may determine to be appropriate, including but not limited to contract cancellation, termination or suspension in whole or in part or both.

[Drafter's Note: If applicable to extend the application of the EO to the subcontractors as well as contractors, use the following paragraph. Delete this note when agreement is complete and ready for execution.]

The Lessor shall take such action with respect to any subcontract as the Commission may direct as a means of enforcing such provisions, including sanctions for noncompliance.

(18) VENUE: It is agreed by the parties that any action at law, suit in equity, or other judicial proceeding to enforce or construe this Agreement, or regarding its alleged breach, shall be instituted only in the Circuit Court of Cole County, Missouri.

IN WITNESS WHEREOF, the parties have entered into this Agreement on the date last written below.

- e. If providing bids/quotes/proposals for commodities, the Bidder/Offeror will state brand or make on each item. If bidding or proposing other than the make, model or brand specified, the manufacturer's name, model number or catalog number must be given.
- f. **For bids/proposals of \$25,000 or more**, no bids/proposals by telephone, telegram or telefax will be accepted.
- g. The date specified for the returning of bids/quotes/proposals is a firm deadline and all bids/quotes/proposals must be received at the designated office by that time. The Department does not recognize the U.S. Mail, Railway Express Agency, Air Express, or any other organization, as its agent for purposes of accepting proposals. All proposals arriving at the designated office after the deadline specified will be rejected.

GENERAL TERMS AND CONDITIONS

General Performance

- a. Bidders are encouraged to obtain minority business enterprise (MBE) and women business enterprise (WBE) participation in this work through the use of subcontractors, suppliers, joint ventures, or other arrangements that afford meaningful participation for M/WBEs. Bidders are encouraged to obtain 10% MBE and 5% WBE participation.
- b. This work is to be performed under the general supervision and direction of the Missouri Department of Transportation (MoDOT) and, if awarded any portion of the work, the Contractor agrees to furnish at his own expense all labor and equipment required to complete the work, it being expressly understood that this solicitation is for completed work based upon the price(s) specified and is not a solicitation for rental of equipment or employment of labor by MoDOT, and MoDOT is to have no direction or control over the employees used by the Contractor in performance of the work.

Deliveries

- a. Unless otherwise specified on the solicitation documents or purchase order, suppliers shall give at least 24 hours advance notice of each delivery. Delivery will only be received between the hours of 8:00 a.m. to 3:00 p.m., Monday through Friday. Material arriving after 3:00 p.m. will not be unloaded until the following workday. No material will be received on Saturday, Sunday or state holidays.
- b. If the prices bid herein include the delivery cost of the material, the Contractor agrees to pay all transportation charges on the material as FOB - Destination. Freight costs must be included in the unit price bid and not listed as a separate line item.
- c. Any demurrage is to be paid by the Contractor direct to the railroad or carrier.

Nondiscrimination

- a. The Contractor shall comply with the Regulations relative to nondiscrimination in federally-assisted programs of the Department of Transportation, Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time, (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this contract.
- b. All solicitations either by competitive bidding or negotiation made by the Contractor for work to be performed under a subcontract, including procurements of materials or leases of the Contractor's obligations under this contract and the Regulations, will be relative to nondiscrimination on the grounds of race, color, or national origin.
 - 1) Sanctions for Noncompliance: In the event of the Contractor's noncompliance with the nondiscrimination provisions of this contract, MoDOT shall impose such contract sanctions as it or the Federal Highway Administration may determine to be appropriate, including, but not limited to:
 - i. withholding of payments to the Contractor under the contract until the Contractor complies, and/or,
 - ii. cancellation, termination or suspension of the contract, in whole or in part.

Contract/Purchase Order

- a. By submitting a bid/quote/proposal, the Bidder/Offeror agrees to furnish any and all equipment, supplies and/or services specified in the solicitation documents, at the prices quoted, pursuant to all requirements and specifications contained therein.
- b. A binding contract shall consist of: (1) the solicitation documents, amendments thereto, and/or Best and Final Offer (BAFO) request(s) with any changes/additions, (2) the Contractor's proposal and/or submitted pricing, and (3) the MHTC's acceptance of the proposal and/or bid by purchase order or post-award contract.
- c. A notice of award does not constitute an authorization for shipment of equipment or supplies or a directive to proceed with services. Before providing equipment, supplies and/or services, the Contractor must receive a properly authorized purchase order and/or notice to proceed.
- d. The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein. Any change, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the Contractor and the duly authorized representative of the MHTC, by a modified purchase order prior to the effective date of such modification. The Contractor

expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification.

Subcontracting

It is specifically understood that no portion of the material or any interest in the contract, shall be subcontracted, transferred, assigned or otherwise disposed of, except with the written consent of MoDOT. Request for permission to subcontract or otherwise dispose of any part of the work shall be in writing to MoDOT and accompanied by documentation showing that the organization which will perform the work is particularly experienced and equipped for such work.
- b. Consent to subcontract or otherwise dispose of any portion of the work shall not be construed to relieve the Contractor of any responsibility for the production and delivery of the contracted work and the completion of the work within the specified time.
- c. All payments for work performed by a subcontractor shall be made to the Contractor to whom the contract was awarded and the purchase order issued.

Invoicing and Payment

- a. MoDOT is exempt from paying Missouri Sales Tax, Missouri Use Tax and Federal Excise Tax. However, the Contractor may themselves be responsible for the payment of taxes on materials they purchase to fulfill the contract. A Project Tax Exemption Certificate will be furnished to the successful Bidder/Offeror upon request if applicable.
- b. Each invoice should be itemized in accordance with items listed on the purchase order and/or contract. The statewide financial management system has been designed to capture certain receipt and payment information. Therefore, each invoice submitted must reference the purchase order number and must be itemized in accordance with items listed on the purchase order. Failure to comply with this requirement may delay processing of invoices for payment.
- c. Unless otherwise provided for in the solicitation documents, payment for all equipment, supplies, and/or services required herein shall be made in arrears. The Missouri Highways and Transportation Commission (MHTC) shall not make any advance deposits.
- d. The MHTC assumes no obligation for equipment, supplies, and/or services shipped or provided in excess of the quantity ordered. Any authorized quantity is subject to the MHTC's rejection and shall be returned at the Contractor's expense.

 - 1) If attached, the document entitled **"MISSOURI SERVICE-DISABLED VETERAN PREFERENCE"** should be completed and returned with the solicitation documents.
- d. In the event of a tie of low bids, the MHTC reserves the right to establish the method to be used in determining the award

Remedies and Rights

- a. No provision in the contract shall be construed, expressly or implied, as a waiver by the MHTC of any existing or future right and/or remedy available by law in the event of any claim by the MHTC of the Contractor's default or breach of contract.
- b. The Contractor agrees and understands that the contract shall constitute an assignment by the Contractor to the MHTC of all rights, title and interest in and to all causes of action that the Contractor may have under the antitrust laws of the United States or State of Missouri for which causes of action have accrued or will accrue as the result of or in relation to the particular equipment, supplies, and/or services purchased or produced by the Contractor in the fulfillment of the contract with the MHTC.
- c. In the event a Contractor becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction, the Contractor may request MoDOT to enter into such litigation to protect the interests of the MHTC, and, in addition, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

Cancellation of Contract

- a. The MHTC may cancel the contract at any time for a material breach of contractual obligations or for convenience by providing the Contractor with written notice of cancellation. Should the MHTC exercise its right to cancel the contract for such reasons, cancellation will become effective upon the date specified in the notice of cancellation sent to the Contractor.
- b. If the MHTC cancels the contract for breach, the MHTC reserves the right to obtain the equipment, supplies, and/or services to be provided pursuant to the contract from other sources and upon such terms and in such manner as the MHTC deems appropriate and charge the Contractor for any additional costs incurred thereby.

Bankruptcy or Insolvency

- a. Upon filing for any bankruptcy or insolvency proceeding by or against the Contractor, whether voluntary or involuntary, or upon the appointment of a receiver, trustee, or assigned the benefit or creditors, the Contractor must notify MoDOT immediately. Upon learning of any such actions, the MHTC reserves the right, at its sole discretion, to either cancel the contract or affirm the contract and hold the Contractor responsible for damages.

Inventions, Patents, and Copyrights

- a. The Contractor shall defend, protect, and hold harmless the MHTC, its officers, agents, and employees against all suits of law or in equity resulting from patent and copyright infringement concerning the Contractor's performance or products produced under the terms of the contract.

Inspection and Acceptance

- a. No equipment, supplies, and/or services received by MoDOT pursuant to a contract shall be deemed accepted until MoDOT has had reasonable opportunity to inspect said equipment, supplies, and/or services.
- b. All equipment, supplies, and/or services which do not comply with the specifications and/or requirements or which are otherwise unacceptable or defective may be rejected. In addition, all equipment, supplies, and/or services which are discovered to be defective or which do not conform to any warranty of the Contractor upon inspection (or at any later time if the defects contained were not reasonably ascertainable upon the initial inspection) may be rejected.

The Contractor expressly warrants that all equipment, supplies, and/or services provided shall: (1) conform to each and every specification, drawing, sample or other description which was furnished to or adopted by MoDOT, (2) be fit and sufficient for the purpose expressed in the solicitation documents, (3) be merchantable, (4) be of good materials and workmanship, and (5) be free from defect.
- b. Such warranty shall survive delivery and shall not be deemed waived either by reason of the MHTC's acceptance of or payment for said equipment, supplies, and/or services.

Status of Independent Contractor

- a. The Contractor represents itself to be an independent Contractor offering such services to the general public and shall not represent itself or its employees to be an employee of the MHTC. Therefore, the Contractor shall assume all legal and financial responsibility for taxes, FICA, employee fringe benefits, workers' compensation, employee insurance, minimum wage requirements, overtime, etc., and agrees to indemnify, save and hold the MHTC, its officers, agents and employees harmless from and against any and all losses (including attorney fees) and damage of any kind related to such matters.

Indemnification
