GENERAL

The Missouri Department of Transportation is requesting a proposal for television monitoring systems and provision of the systems' maintenance for its District 4 Office Building located in Lee's Summit, Missouri. A contract for equipment and services may be awarded to the firm who best proposes to fulfill the Department requirements as specified in the Basis of Contract Award section contained herein. The effective date of the contract will be the date of contract award.

The Department reserves the right to reject any and all proposals on the basis of an inability of the prospective offeror to satisfactorily meet the requirements as specified in the Basis of Contract Award section. To be deemed responsive an offeror must price all systems contained herein, however, all items must be priced separately. **Proposals must be submitted no later than 1:00 PM, May 1, 2007.**
