RE: Addendum 01 to Bid D5-10-003B, CMS Communication Equipment

Dear Bidders:

Please note that this addendum letter is to inform all potential bidders of the following changes to bid D5-10-003B. Please read the clarification below.

1) Paragraph 1, amended to now include:
Any proposed communication equipment MUST be capable of working with American Signal, K&K Supply and ADDCO boards.

2) Paragraph 3, amended to now read:
Cellular is an acceptable form of communication, as it is now understood to be a part of RF communication/network. Communication MUST have 100% communication capability.

Awarded vendor MUST demonstrate with 15 business days from award that their product meets all specification requirements and the needs of the Missouri Department of Transportation (MoDOT) Instant Response Program. If a successful demonstration cannot be achieved, MoDOT will proceed to award to second low compliant bidder.

If the awarded vendors product proves not to continually comply, the vendor must remove their equipment at no cost to MoDOT upon notification.

3) Closing date and time will be changed to August 10, 2009 at 1:00 pm CDST. If you have already submitted a sealed bid, you MUST resubmit the signed addendum with pricing in a sealed envelope.

4) Following is an updated pricing page breaking down pricing by line itemization for equipment and monthly service charge with a signature page. All other forms sent with the original request must be submitted as well.

Following is a new front bid form for you to fill out if needed. **Only the a new 'Pricing Page' is following. All the other amended changes are reflected only in this addendum.**

Addendum must be signed and returned with bid.
