March 30, 2009

RE: Addendum 01 to Bid D5-09-038B, Welding/Fabrication

Dear Vendors:

Please note that this addendum letter is to inform all potential bidders of the following changes to bid D5-09-038B.

Item 1:

Section 'Possible Projects' currently reads: Slip-in material spreader stands; Bulk Oil (motor) containment stands; Dump bed repairs and Special Projects, but not all inclusive.

Section 'Possible Projects' shall be amended to read: Slip-in material spreader stands; Bulk Oil (motor) containment stands; Dump bed repairs and Special Projects, but not all inclusive. See attached pictures of past projects.

Item 2:

Section 'Specifications and Requirements' currently reads: Work shall be done in accordance with applicable industry 'Welding Standards and Codes.' It is our intent for standards to mean a comprehensive term that includes codes, specifications, recommended practices, classifications, methods and guides.

Section 'Specifications and Requirements' shall be amended to read: Work shall be done in accordance with applicable industry 'Welding Standards and Codes.' It is our intent for standards to mean a comprehensive term that includes codes, specifications, recommended practices, classifications, methods and guides.

Bidder must indicate on the PRICING PAGE their welding certifications, listing the applicable categories/projects in which they are qualified. *Eg.) Structural, tanks, etc.*

Please indicate your methods of cutting material (Plasma cutter, etc.)

Item 3: Attached is a modified PRICING PAGE.

Closing date and time will be remain on April 7, 2009 at 1:00 pm CDST. If you have any questions, please call.

By signing, _____, I fully understand the addendum request.
Vendor

Date _____

Addendum must be signed and returned with bid.

Thank you!
