SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

Title: D5-09-040SFS Tuff Posts-High Performance Channelizer

Description: The Missouri Department of Transportation (District 5) has determined that Impact Recovery Systems is the only known source for the propriety TUFF POST High Performance Channelizer, the only post in the industry that has been tested to withstand 55 mph and still remain upright with no vertical or horizontal listing. This product does not sell through distributors at this point in time. Purchases of this item will not exceed \$25,000 individually or cumulatively and can be made at the current prices until the \$25,000 cap is met.
