

MISSOURI DEPARTMENT OF TRANSPORTATION BID OPPORTUNITY

The Missouri Department of Transportation, General Services Unit, has determined that only one source can provide the Department with the necessary rotary cutter drum attachment for motor graders. This unit shall be powered by a 200 horsepower liquid cooled diesel engine with a 72" wide cutter head. This unit may be purchased for any of the 10 districts in the state of Missouri. Purchases may be made throughout calendar year 2007 and expiring on December 31, 2007. A contract to purchase the above-described item may be executed with **Maddock Industries in Bloomington Indiana**, on April 26th, 2007. To our knowledge, this compatible rotary cutter drum attachment cannot be purchased from any other provider. Issues with this contractual agreement may be directed to Jerry Dunn 573-526-7932 or email to jerry.dunn@modot.mo.gov until April 25, 2007, at 2:00 p.m. local time.
