

Missouri Department of Transportation Central Missouri District

The Missouri Department of Transportation is committed to providing a safe transportation system in the state of Missouri. MoDOT designs, builds and maintains roads and bridges and works to improve airports, river ports, railroads, public transit systems and pedestrian and bicycle travel. The agency also administers motor carrier and highway safety programs.

David Silvester,
District Engineer

As MoDOT focuses on restructuring the agency to make the most of every dollar, the Central Missouri District has grown to 18 counties.

To ensure MoDOT's mission of exceptional customer service, three engineers have been designated to be MoDOT's local connection within the communities they serve. (Pictured inside.)

The Central Missouri District is managed by David Silvester, District Engineer, and Travis Koestner, Assistant District Engineer.

Travis Koestner,
Assistant District Engineer

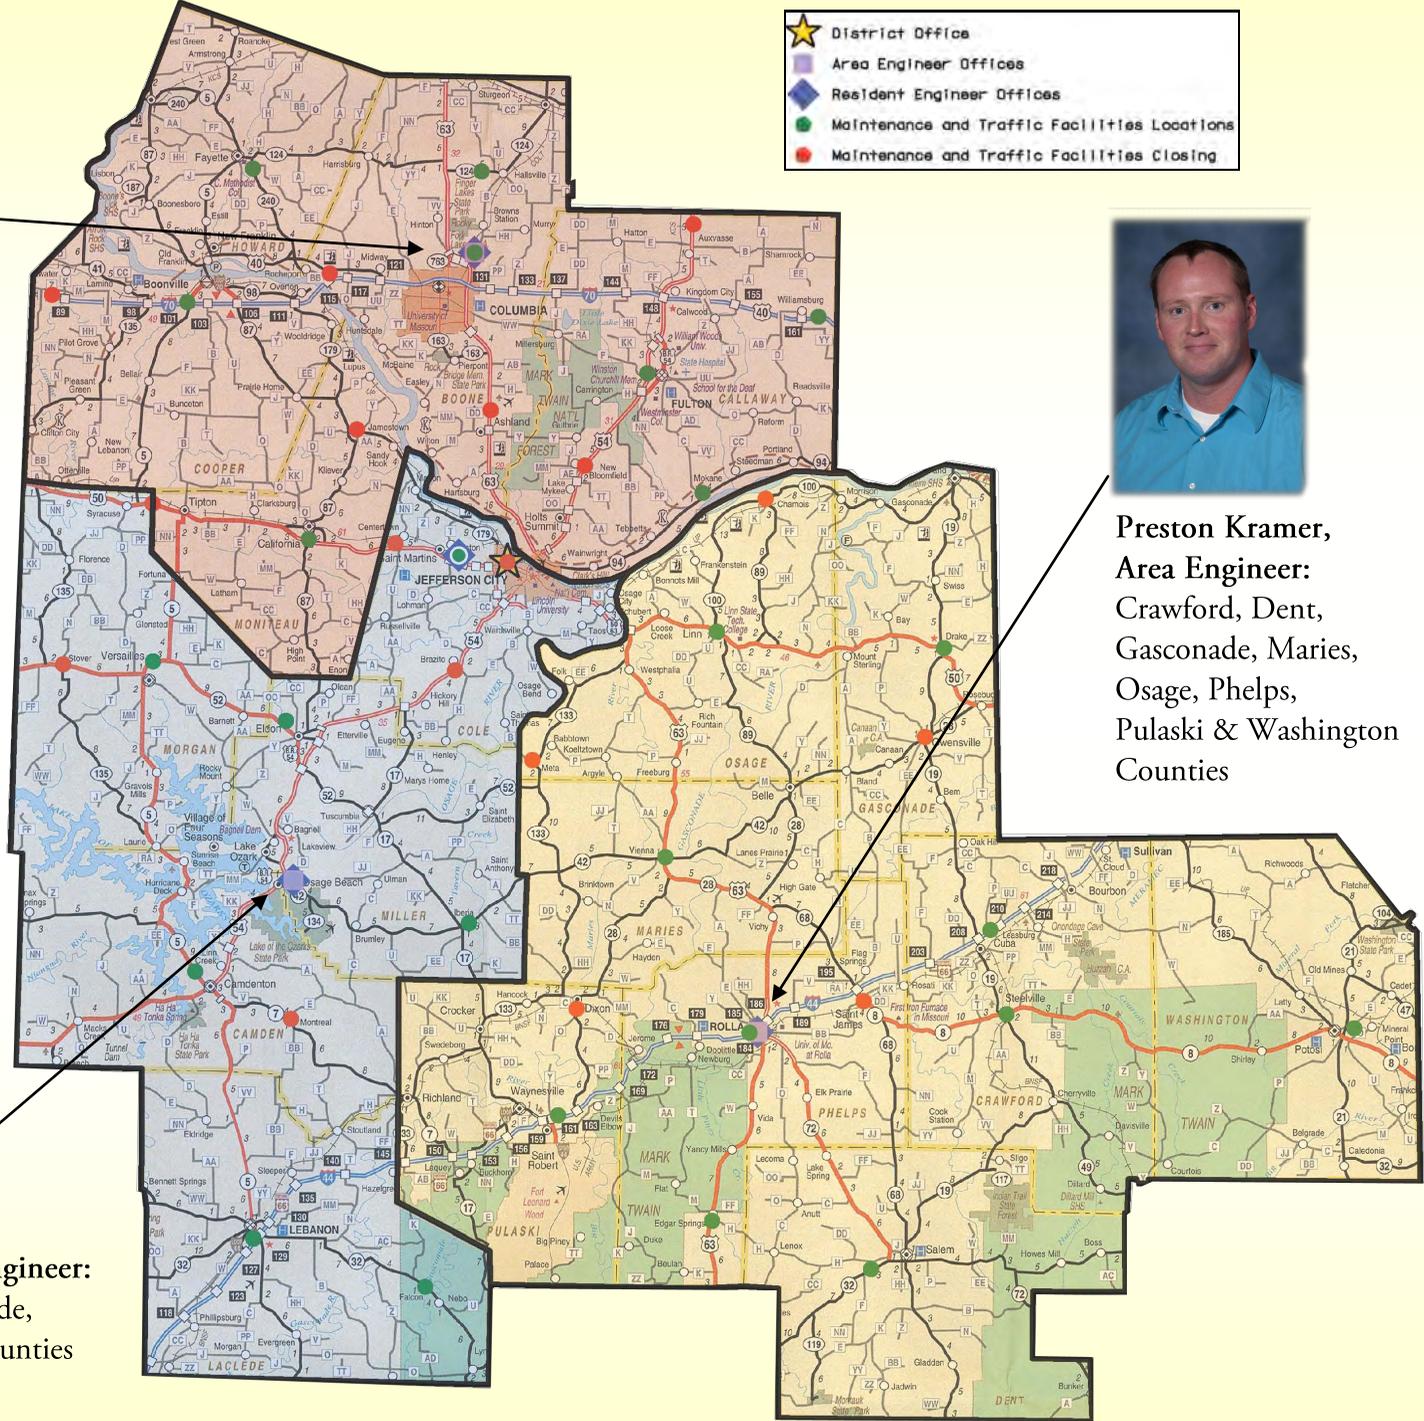

Mike Schupp,

- Miles to Maintain: 5,236

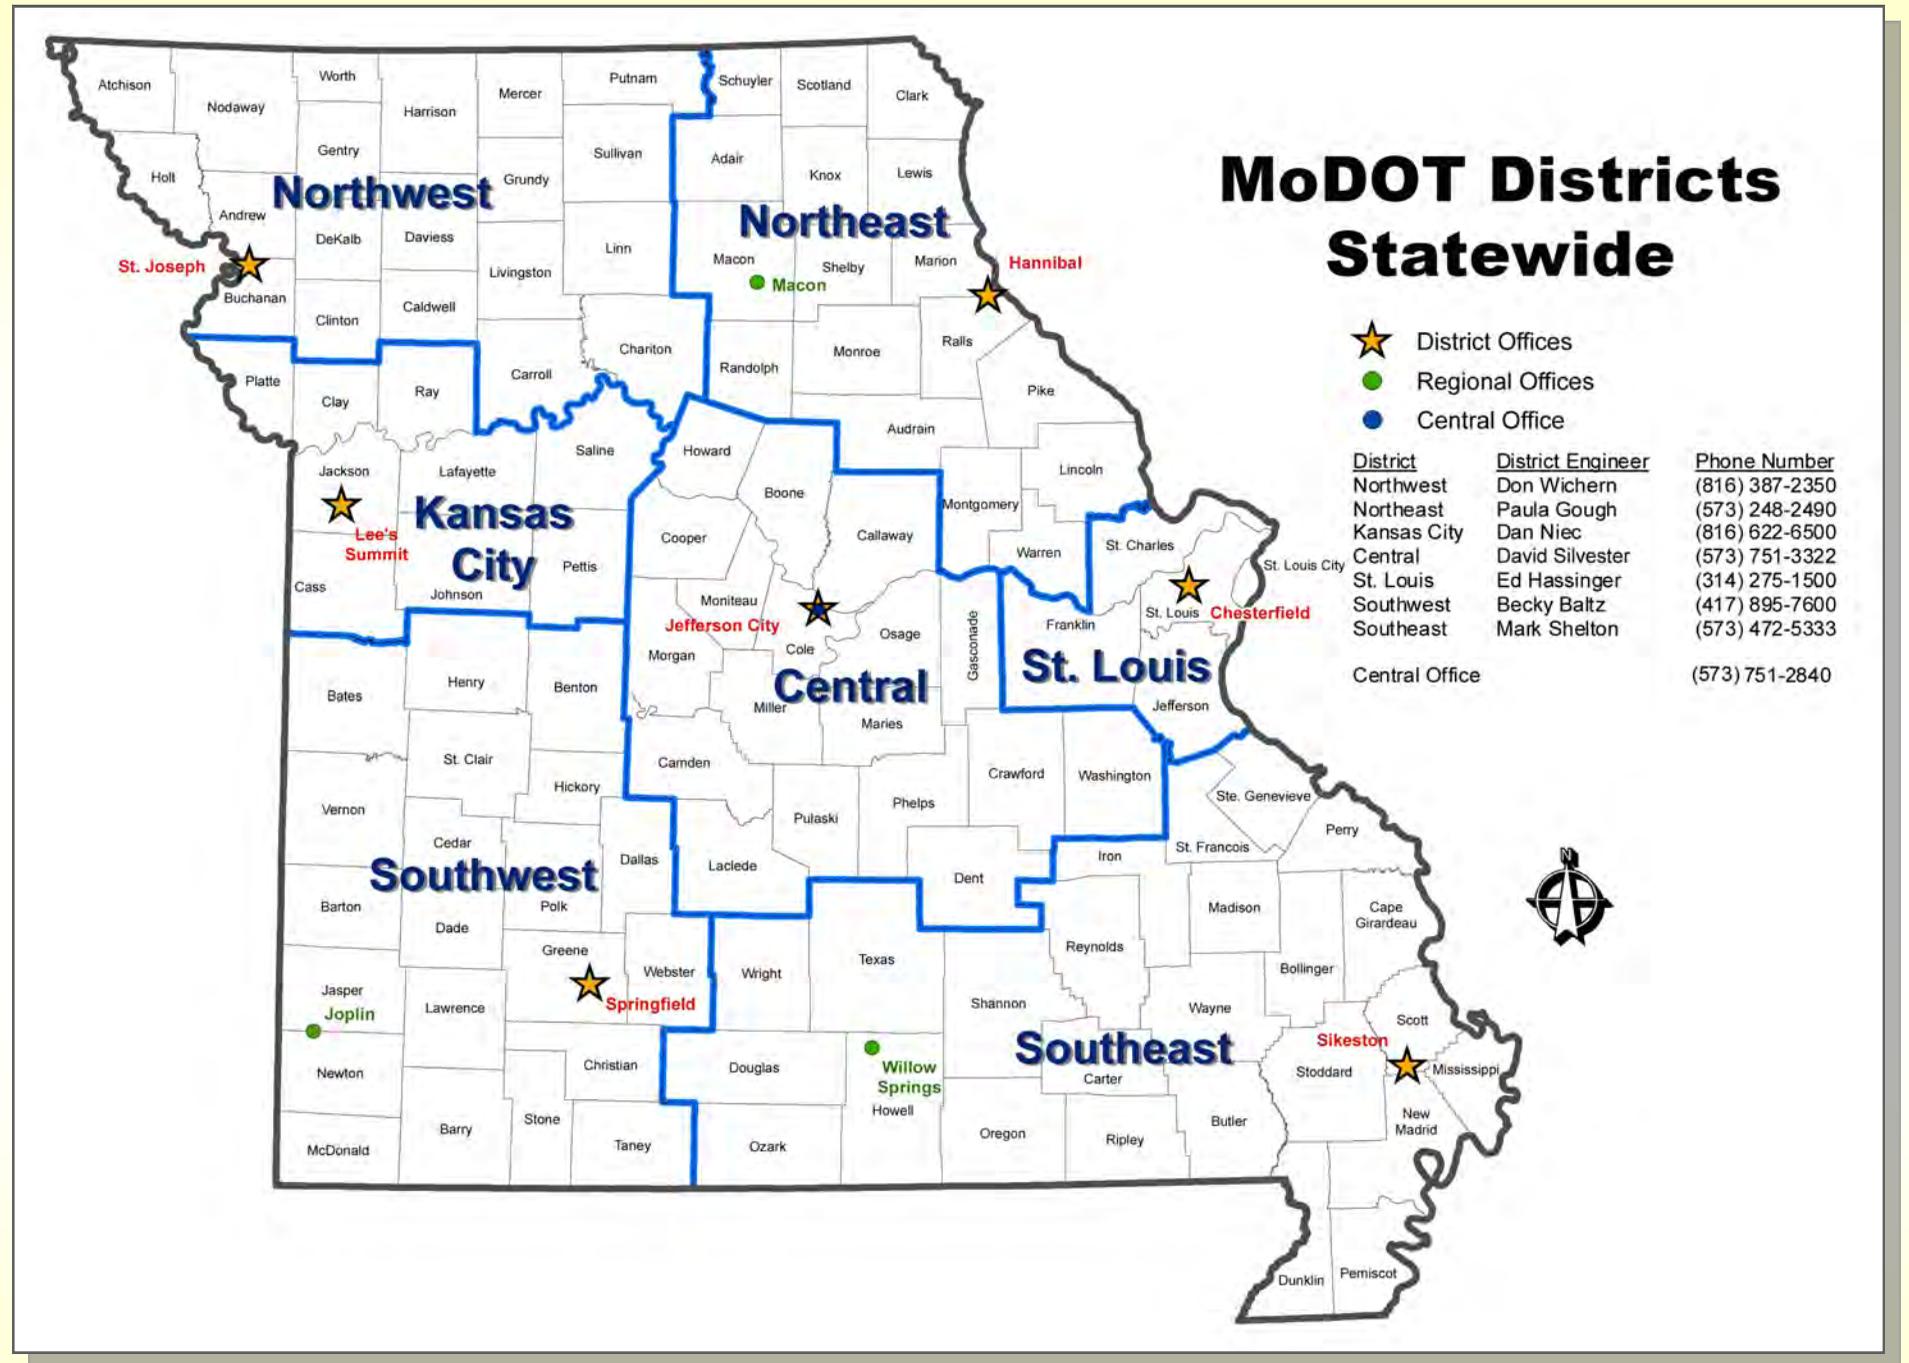

Visit Our Traveler Information Map

MoDOT's Traveler Information Map provides a view of road conditions for major Missouri highways. The map shows work zone locations, flooding information, weather-related road conditions and incidents that affect travel.

Commercial drivers can view information on oversized/over-dimension loads, vertical clearance and commercial zones.

A weather radar image and links to road condition maps for surrounding states are also available on the Traveler Information Map at www.modot.org.

Our mission is to provide a world-class transportation experience that delights our customers and promotes a prosperous Missouri.
