

A photograph of a large steel truss bridge spanning a river, with the text 'Hurricane Deck Bridge Public Hearing' overlaid in large, bold, black letters. The date 'July 28, 2011' is also overlaid in the bottom right corner of the image.

Hurricane Deck Bridge Public Hearing

July 28, 2011

Route 5, Hurricane Deck Bridge Environmental Assessment

The environmental assessment is now available for public review and was prepared in accordance with the National Environmental Policy Act (NEPA), the National Historic Preservation Act, 23 CFR 771, and regulations of the Council on Environmental Quality, to provide guidance in determining the appropriate actions needed to address this bridge.

The document can be viewed at tonight's public hearing. An electronic version of this document can be found on MoDOT's Web site at www.modot.org/central. It is also available for review at the following locations:

- Camden County Commissioner's Office
- Sunrise Beach City Hall
- Camden County Library in Camdenton
- Camden County Library in Sunrise Beach
- Bank of Versailles (113 East Newton, Versailles)
- Greenview Bank (8774 N. State Highway 5, Camdenton)
- Missouri Dept. of Transportation, Camdenton Project Office (93 Morgan St., Camdenton)
- MoDOT Central Missouri District Office (1511 Missouri Blvd., Jefferson City).

Comments on the environmental assessment should be submitted no later than **Aug. 8, 2011** to: Mr. David Nichols, Chief Engineer for the Missouri Dept. of Transportation, P.O. Box 270, Jefferson City, MO 65102

Environmental Documents Opinion Survey

MoDOT encourages those who have reviewed the environmental assessment to take part in a short survey to tell us if the document is understandable and useful to the public. Find the survey online at www.modot.org/central or fill out the survey form available at this station.
