About the Project

Project Description:

The project included realigning the intersection of Business Route 54 and Second Street to construct a roundabout. A roundabout is an intersection that accommodates traffic flow in one direction around a central circular island. The Stinson Creek Bridge on Business Route 54 and the Stinson Creek Bridge on Second Street were both removed and replaced with one box culvert.

Design Consultant:

Bartlett and West of Jefferson City, Mo.

Construction Contractor:

Sam Gaines Construction, Inc. of New Bloomfield, Mo.

Construction Cost:

\$1,658,815.50

The City of Fulton partnered to construct this project.

Project Duration:

Work started in mid 2010.

The roundabout opened to traffic on December 17, 2010.
The project will be completed in early 2011.

The Stinson Creek Bridge on Business Route 54 and the Stinson Creek Bridge on Second Street were removed and replaced with a box culvert.
