MoDOT Launches "On The Move"

What kind of transportation system do you want to see for Missouri? That's the question MoDOT will be asking of Missourians over the next few months with a new statewide initiative called "On The Move." A website allows visitors to see a schedule of listening sessions and mobile tours across the state and leave comments. You can also request a speaker for your group or organization using the "contact us" tab. [On The Move.](#)

HAVE YOU SEEN THIS?

Committee Report Available

The Blue Ribbon Citizens Committee on Missouri's Transportation Needs presented its final report to Speaker of the House Tim Jones earlier this month. The committee was appointed last spring by former Speaker Steven Tilley. It held seven regional public meetings that were attended by 818 people and included 208 separate presentations on a host of transportation issues. [Committee Report](#)

Speed Limit Change on U.S. 63

After making several improvements on intersections along U.S. 63, MoDOT has restored the speed limit on the major highway from 65 mph to 70 mph between the Boone and Randolph County line to Kirksville in north central Missouri. [Speed Change](#)

Check Before You Go

Stay informed about Missouri road conditions by using MoDOT's Traveler Information Map. The map offers current views of road conditions for Missouri interstates and highways.

For smartphone and tablet users, the recently-upgraded Traveler Information App brings the same information to mobile devices. The app is available for free from the iPhone and Android app stores by searching for "MoDOT". [Smart Travel](#)

MAJOR PROJECTS

Rendering of the completed project.

St. Louis Daniel Boone Bridge Project

Ground was broken this month on a project to construct a new Daniel Boone Bridge over the Missouri River between St. Louis and St. Charles counties. Work is scheduled to begin this spring with all lanes opened to traffic by fall 2015. [Daniel Boone Bridge](#)

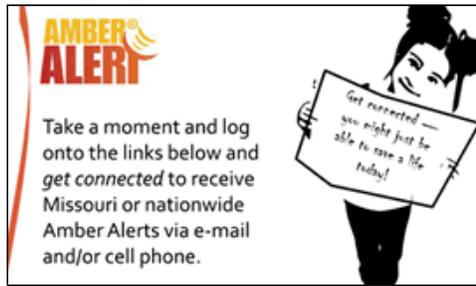

Kansas City Manchester Bridge Project

MoDOT will replace the I-70 bridges over Manchester Trafficway, the Blue River and the adjacent rail yard beginning in 2013. As part of the project, MoDOT will replace the historic through-tied arch Route 40 bridge over the Blue River just north of I-70. The project is expected to be completed by the end of 2016. OFF THE ROAD NEWS

Help for Missing Children

A focus on National Amber Alert Awareness happens each January. You can get involved in the process by signing up to receive automatic wireless alerts on your mobile device when a child is missing and an Amber Alert is issued. You might possibly save a life! For more details and to register, visit the website [Amber Alert](#)
