## **Community Coffees to Discuss Route 150 Widening Project**

LEE'S SUMMIT, Mo. – Residents of Grandview, Lee's Summit and Kansas City who are interested in the widening of Route 150 between Route 71 and Route 291 are invited to community coffees Tuesday and Wednesday to learn more and ask questions.

The coffees will be in the gymnasium of Trailridge Elementary School, 3651 Windemere Drive, Lee's Summit, from 7 until 8:30 p.m. Please enter through the school's southeast door.

These open-house formatted gatherings will bring together community stakeholders to discuss specific project issues with MoDOT and the design team.

An eight-mile section of Route 150 is scheduled for widening to four lanes between Route 71 and Route 291. The project is expected to begin in 2008 and be completed by 2010. It will be funded through money made available by the passage of Amendment 3 to accelerate the completion of the state's priority highway projects.

MoDOT wants your input regarding walkability, bicycle/pedestrian provisions, lighting, median enhancements and other issues.
