RE: ONEDOT Approval of the Missouri FY 2009-2013 STIP for the  
Kansas City Metropolitan Area's incorporation of FY 09 Special TIP  
Amendment #1 (ARRA).

Dear Mr. Rahn:

The Federal Highway Administration (FHWA) has reviewed the Missouri Department of Transportation's (MoDOT) request to incorporate the Mid-America Regional Council's (MARC) modification of their FY 2008-2012 Transportation Improvement Program (TIP), as further described in your letter of April 1, 2009, as an amendment to the FY 2009-2013 Missouri Statewide Transportation Improvement Program (STIP). This amendment consists of 22 projects in the Kansas City metropolitan area, which include 19 local projects and **3 MoDOT projects**. The MARC Board of Directors approved the TIP amendment on March 9, 2009.

In accordance with 23 CFR 450.218(b), we have determined that this STIP amendment is based on a transportation planning process that meets the requirements of 23 U.S.C. 134 and 135, 49 U.S.C. 5303 and 5304, and 23 CFR 450 Subparts A, B, and C. Based upon MoDOT's commitments found in the supplemental documentation to this action, the STIP amendment request is approved.

If you have any questions or need additional information, please contact Donny Hamilton, Jr., FHWA, at (573) 638-2619.

Sincerely,

For Edgardo Cordero
