

ROUTE E OVERPASS OVER INTERSTATE 55

The deck of the Route E overpass over I-55 will be replaced. The improved bridge will be 2 feet wider than the existing structure. As work is underway, the bridge will remain closed. Additionally, I-55 will be periodically closed during portions of construction. Work is expected to begin in summer 2013, with completion anticipated in August 2013. For more information, please contact Project Manager Eric Krapf at 573.472.5261 or Transportation Project Designer David Blalock at 573.472.5295.

ROUTE H OVER LATERAL ST. JOHN'S DITCH

Improvements will include replacing the existing Route H bridge over Lateral St. John's Ditch with a box culvert. As work is underway, the bridge will remain closed. Construction is expected to begin in summer 2013, with completion anticipated in August 2013. For more information, please contact Project Manager Eric Krapf at 573.472.5261 or Transportation Project Designer David Blalock at 573.472.5295.
