Road Sign Shapes

Signs use a combination of shape, color, words and pictures to tell you what to do while you're on the road. See if you can match up the correct shape to its meaning.

- _____ This sign means stop. Always let other vehicles, pedestrians or bicyclists pass if they are in your path.
- _____ This sign means to slow down and let vehicles crossing your path go by. If necessary, stop before going ahead.
- _____ This sign warns you of a no-passing zone and will be on the left-hand side of the road.
- _____ This sign uses words and pictures to alert you to special road hazards.
- _____ This sign marks school areas and school crossings.
- _____ This sign marks railroad crossings. A number sign underneath tells you how many sets of tracks you will cross.
- _____ This sign gives you early warning of railroad crossings.
- _____ This sign is regulatory when it's vertical. It gives you directions or tells you about services you may want, when it's horizontal.

Missouri Work Zone Safety Tips

Here are some helpful tips:

- Buckle Up! - Every trip, every time - safety belts save lives.
- Stay Alert! - Dedicate your full attention to the roadway.
- Follow Signs! - They'll guide you through work zones safely.
- Expect the Unexpected! - Watch for flaggers, workers and equipment.
- Pay Attention! - Turn the radio down and don't use your cellular phone.
- Be Patient! - Remember workers are improving the road for future travels.
- Don't Speed! - Follow posted limits and adjust for weather conditions.
- Don't Drink and Drive! - Impairment of any kind is unacceptable.
- Be Nice! - Merge as directed, don't tailgate and don't change lanes in a work zone.
