Groundbreaking

About the Project:

The project includes the construction of a diamond interchange at U.S. 63 and Route H, near the Columbia airport. New southbound lanes for U.S. 63 will also be built from just north of Route H to Route H. The existing southbound lanes will become an outer roadway, allowing for the removal of several crossovers.

Contractor:

Chester Bross Construction Company/
C.B. Equipment, Inc. of Hannibal, Mo.
