- Preferred Alternative
- Alternative 1
- Alternative 2

This alternative was recommended as the preferred for the following reasons:

- * Better alignment than emerging option
- * Less access points than other alternatives
- * Reduces traffic on existing roadway through Freeburg
- * No known historic properties
- * Less costs than Alternative 1

Alternatives 1 and 2 were not recommended as the preferred for the following reasons:

- * Have 2 more potential historic properties that could be affected
- * Slightly longer alternatives
- * More access points including public roads
- * Relatively close to city wastewater treatment plant
- * Alternative 1 has slightly more costs than the preferred

This emerging option was not recommended as the preferred for the following reasons:

- * 722 more linear feet in stream impacts
- * 1 more displacement
- * Less desirable alignment
- * 24 acres more forested area being impacted
