

New Interchange:

Route 13 at Route 82 in Osceola

Construction: Begin fall/winter 2013 with completion in winter 2014

Project:

- Build new interchange to replace current at-grade intersection of Route 13 and Route 82
- Route 82 will be routed over Route 13
- Relocate Business 13 slightly to the west of where it intersects Route 82

Traffic Impacts:

- Lane closings and delays on Route 13 at times
- Route 82 closed for a time so roadway can be connected to new interchange
- One-lane traffic on Business 13 at Route 82 at times

Estimated construction cost: \$7 million
